MEMORANDUM FOR: Personnel Director

FROM: Executive Secretary, Professional Selection Panel

SUBJECT: Proposed Personnel Director Memorandum, Subject:
"Professional Selection Panel"

1. In its meeting of 3 June 1953, the Professional Selection Panel reviewed the attached draft PDM. The Panel agreed with the PDM as written except that it believed paragraph 3 would seem to encourage appeals of Panel's decisions. The Panel suggests that that paragraph be rewritten to place less emphasis on the mechanism for the review of Panel's decisions.

2. In order to comply with the Panel's suggestion as far as possible without altering the intent expressed by the Chairman of the CIA Career Service Board in his attached memorandum, dated 29 April 1953, it is recommended that paragraph 3 of the PDM be rewritten as indicated.
